INSTRUCTIONS FOR USING THE PARTS LIST

Use the PARTS FINDER SECTION on pages 5 to 37 to identify the area of the MINILOADER that you require a PART NUMBER for. This will give you a FIGURE NUMBER E.g. 6A.

Then go to that FIGURE NUMBER to find the PART NUMBER for the required PART.

Take care when ordering PARTS that have more than one voltage rating E.g. 220 or 240 volts, there will be more than one PART NUMBER quoted.

Take care when ordering PARTS that are different on the various versions of the MINILOADER E.g. The FRONT PANEL, there will be more than one PART NUMBER quoted.

Always order by PART NUMBER.

In the event of a query about a PART NUMBER, always quote the SERVICE CODE of the version of the MINILOADER and the SERIAL NUMBER.
